

Geospatial Data Availability and Pricing Schedule

Geospatial data and maps are available at the Lincoln County Environmental Office located at PO Box 66, 402 N Harold St, Ivanhoe, MN 56142.

Access to some of our county's geospatial data requires signing of a License Agreement prior to receiving it and, in some cases, a fee may also be required. If a license agreement is required, it can be obtained at our department. The following is a listing of geospatial data available from our county:

Digital Data	Data Development Cost Recovery Fee <i>(In Addition to Handling and Reproduction Fee)</i>
Parcels-boundaries and attributes	\$0.03 per parcel
School district boundaries	no
Physical features	no
Watershed boundaries	no
Wetlands	no
Lakes	no

¹ Contact Lincoln County Environmental Office for the metadata for the characteristics of available data.

³ A data delivery charge of \$25.00 will be added to each request serviced by our staff for handling and reproduction. Requests for custom data extracts, data reformatting, or services not described here are charged at \$50.00 per hour.

The funds collected from the distribution of data are used to develop and maintain our county's digital geospatial data.

Parcel and Property \$0.03/Parcel (minimum charge \$1.00)

Data on CD (700MB) \$3.00

Data on floppy (1.44MB) \$1.00

Shipping product is at cost and varies by method

Maps can be printed from existing data at the following fees:

8x10 up to 11x17: \$2.00

17x22 up to 34x44: \$4.00

34x44 and larger: \$8.00
